

Photo Submission Guidelines

Creative Guidelines and Technical Specifications

1. Your photograph must pertain to biology (e.g. neuropathy, microorganisms, plants, proteins, ecology, ecosystems, environmental science, conservation, molecular biology, biochemistry, cell biology, etc.).
2. Entries must be submitted in full color
3. Dimensions: 8.5 x 11 inches or larger
4. Resolution: 300 dpi or higher
5. Portrait or landscape orientation

Eligibility

1. Open only to UCSD undergraduate students.
2. Submissions must be your original work. Do not infringe on others' copyrighted property.
3. Multiple submissions are allowed.
4. Submissions must be accompanied by a signed [Graphics Permission Statement](#)

How to Submit

- For digital submissions, include your:

Name
Email address
Phone number
UCSD student status (year, college, major)

This information will be used to contact you should you win, and for the photo credit in the inside of the front cover.

Electronically:

- Email submission to sq@biomail.ucsd.edu with "SQ Cover Photo Contest" in the subject line.

Note: Submissions will not be returned.

Winning

1. The winning submission becomes the sole property of *Saltman Quarterly* and may be printed, reproduced, distributed, or modified at our sole discretion.
2. The winner will be notified no later than Week 5 of Spring Quarter.
3. The winning photograph will be used for the cover of the next issue of *Saltman Quarterly*.
4. Full credit will be given to the winner in the inside of the front cover.
5. We may ask for additional biographical information, or information about the content of the photograph, such as location, species, or description of activity.
